INTRODUCING  
**M&G LOYALTY PROGRAM**

**It's not insurance.  
It's better than insurance!**

One annual fee, No monthly premiums, NO deductibles, and ALL your membership fees go toward your dental health! Plus, the healthier your teeth are, the less you pay!

**Why Choose the  
M&G Loyalty Program**

M&G Loyalty plan	VS Dental Insurance
One Annual fee	Expensive monthly premiums plus deductible, office co-pays, office visit fees ....etc
Savings and discounts on all your treatment needs	Most plans have a maximum coverage of \$1500 per year after that you pay out of pocket
Flexible options	Too many limitations and exclusions
No claims to submit	Must submit claim and wait for reimbursement If insurance does not pay, patient pays for treatment cost
No claims rejected and lengthy annoying phone calls with insurance agents	Complex and confusing claim submission process and delayed reimbursement
No waiting period - use benefits immediately	Waiting period before benefits are issued
No missing tooth clause or pre-existing condition that are not covered by insurance	Missing tooth clause, insurance will not cover bridges or implants on previously missing teeth or pre-existing conditions
Know your bottom line prices from the beginning	Insurances never guarantee their payments
Quick and easy automatic enrollment- Enroll at any time during the year	Inconvenient, long application process
